Sunday Nights @ 6:00pm March 5-May 28, 2017

HAVE A HEAVENLY MARRIAGE

**How to Have
Victory Over
Your Worst
Post-Combat
Enemy**

FOOTHILLS BAPTIST CHURCH

HAVE A HEAVENLY MARRIAGE

For some people, marriage is a degree of Hell on earth. They fight, they bicker, they pout, and their homes are often in a state of cold war, occasionally breaking into open battle. They are miserable and frustrated, and marital bliss to them is some kind of cruel joke.

God intended for the Christian marriage to be a tranquil partnership that provides a true haven from the pressures of this world. Good Christian marriages are not just lucky coincidences. They are made by patiently and consistently following the clear, scriptural patterns that God has laid out in His Word.

During these twelve classes you will learn these life-changing truths from God's Word:

- How God intended the marriage relationship to be
- The real root of marital conflicts
- How to grow a love that minimizes and even eliminates many conflicts
- How to forgive and strengthen the marriage relationship
- How to experience the joy God intended in marriage

Teacher: Pastor Bruce D. Miller (Pastor of Foothills Baptist Church)

How to Have Victory Over Your Worst Post-Combat Enemy

So many veterans are living with hurt, guilt, anger, and depression. What is even worse is that most have been falsely led to believe there is no real hope for relief, let alone victory, over such debilitating feelings. As a result, many turn to hurtful and even destructive options as a means of only temporarily escaping the emotional agony and hopelessness.

We believe there is a real hope! “For whatsoever things were written aforetime were written for our learning, that we through patience and **comfort** of the scriptures might have **hope.**”

(Romans 15:4)

During these twelve classes you will learn from God's Word how you might experience:

- True forgiveness
- A healing of hurt
- Victory over anger and bitterness
- Biblical solutions for dealing with depression
- A real joy and peace for life and living
